Explain to the Scholarship Committee why you should be considered for Scholarship / Financial Aid at Capital?

Declaration by the applicant

I hereby confirm that I have submitted all accurate information to Capital. All the supporting documents are valid and I can produce originals on request from Capital. I understand that the scholarship I may receive is given on the understanding that I maintain my academic performance while studying in Capital. I hereby sign below my confirmation.

Applicant Name: _____ Signed: _____ Date: _____

Scholarships & Financial Aid

At Capital we pride ourselves in offering cost effective, quality course offering. The students have the following opportunities to make their education further affordable:

1. **Merit Scholarship:** Students who attain high grades in their schooling or university may apply for merit scholarships. Merit scholarships are awarded between 10-25% of the tuition fees depending on the students' academic background and achievement. This decision is taken by Capital Scholarship committee. In order to be eligible, the students must have a min of:
 1. **British System:** 3As and 2Bs in the O levels
 2. **Indian System:** Above 75% in CBSE / ICSE exams
 3. **Other systems:** Case by Case basis
2. **Financial Aid:** Students may apply for financial aid and it will be dealt on case by case basis by the committee.
3. **Family Privilege:** Families with more than one child studying with the Capital at the same instance will be eligible for the family concession of flat 10% off other child's study on tuition fees.
4. **Alumni Privilege:** Students who have already completed a program of study from the Capital will be eligible for an Alumni Privilege. Alumni are exempt from paying a registration fee for the other course (s) of study.
5. **Corporate Discount:** Several companies are signed up with Capital and Capital offers their employees blanket corporate rates across all its agreed programs. You may meet with us and discuss this opportunity or check with your company HR.
6. **Early Bird Offers:** Capital offers several programs a year and announces them much ahead of start date. These programs if enrolled early enough can earn the student Early Bird offers which may see substantial benefit in fees. These are stated on admissions site.
7. **Capital Referral Scheme:** Historically, many students enroll into Capital via word of mouth from current students. We are very grateful for this and by Capital Referral Scheme we reward students. The rewards can be adjusted against their fees or issued in cash.
8. **Pre-Payment:** Students who pay the complete fees in one instalment can avail a 5% rebate on the fee.
